3576 Chest of Drawers

By Bellotti Ezio

Description

The Traditional 3576 Chest of Drawers by Bellotti Ezio combines generous storage capacity with a refined and understated approach to traditional bedroom furniture. Defined by linear, essential shapes, the piece presents a clean and balanced silhouette that allows its carefully executed finish to become one of its most distinctive features. Seven drawers provide ample space for organizing clothing, linens, accessories, and personal belongings, making the chest a highly functional addition to the sleeping area. The organized arrangement of the drawers reinforces the piece's structured appearance while maintaining a sense of visual harmony and elegance. Made in Italy.
