

Euclideo

Design: Ferruccio Laviani

Description

Luxury desk available in different finishes: leather, saddle leather, ebony type wood and RAL lacquering. Consists of a single block both the desk top and a right or left extension unit. The desk top rests on a black painted steel frame, made with 5/8" thick plates welded or fixed together by bolts. This frame is then fixed to the return cabinet made of particle board panel veneered in ebony type wood or in lacquered MDF in one of the RAL colors of the collection. The inner side of this return cabinet is equipped with 4 drawers and 2 doors all with push & pull opening system, while on the external side there is a open unit with one shelf. The desk top is made of particle board panel veneered in wood, covered in leather or saddle leather or in lacquered MDF. Under the top there is a steel covering element covered in black saddle leather. Made in Italy.
