Design: Ferruccio Laviani

Description

Exclusive desk with top and leg made of particleboard panel veneered or covered with leather or saddle leather. The top is equipped with an electrified box with 2x universal power outlets, 2x USB, 1x Audio 3.5, 1x HDMI, 2x RJ45 with a leather or saddle leather cover cap. The desk is always equipped with a leg and a front element that comes out from the top, which is available upholstered in leather or saddle leather, veneered or in New Saint Laurent marble. For reasons of stability, the desk requires a chest of drawers or a fixed return cabinet.

The fixed chest of drawers has a veneered frame; the return cabinet always has the base, the feet and the side veneered while the top can be covered in leather or saddle leather or veneered. In both cases the doors or drawers are available in the same finishes; the opening mechanism is always with a push & pull system. Handles are available in pewter-colored leather or steel. These structures are always made of 3/4" thick black melamine. The base, the feet and the right side are always in essence; the top and left side are available in leather or leather and in essence. The fronts consist of drawers and doors of various sizes and are available in leather or leather or in essence. The internal shelves are always made of black melamine while the drawers are in matt black beech plywood with steel guides.

Made in Italy.
