

## Leader

*Design: R&S*

### *Description*

The top is made of 1 7/8" thick particleboard panel, veneered in eucalyptus wood and with a central stripe covered in saddle leather or leather; along this stripe there are 10 boxes hidden in the top of the table (each of which contains 2x universal power sockets, 2x USB, 1x Audio 3.5, 1x HDMI, 2x RJ45 with caps also covered in saddle leather or leather), while a steel cable channel is fixed underneath it; cables are not included. The legs are made of drawn aluminum, folded and painted with a chrome effect varnish. Made in Italy.
