

# Random Wood

*Design: Neuland Industriedesign*

## *Description*

Bookcase with three dimensional variants, which make it flexible and adaptable to all spaces in a home and to different market demands. The structure is made with 1/4" thick panels of medium density fiberwood in canaletto walnut finish; 3/8" thick backrest in canaletto walnut.

Compartments in standard sizes. The shelves are fit into the backs through concealed dovetail slots. With adjustable feet to 5/8". For safety reasons, it is highly recommended to fix the unit to the wall. Please note: it is suggested not to fix the units horizontally. Possibility of large-sized configurations by flanking. The modules with 2 and 3 spans, can be used alone or combined with the standard model to allow greater flexibility and improve the modularity of the entire collection. Made in Italy.

## *Finishes & Materials*

**Wood structure:** Canaletto walnut.
