S Table

Design: Xavier Lust

Description

Round or oval table with an S-shaped twisted stand, moulded in: • Cristalplant® (a composite material made up of natural minerals and polyester and acrylic polymers) in matt white • Ceramilux® (a material composed of natural minerals and polyester resin) lacquered gloss black • Reconstructed marble: this particular finish is made of reconstructed marble starting from the marble powder that, appropriately mixed with a binding resin, is spread manually over the entire surface of the Cristalplant® stand. Finishes: black Ebony marble and white Carrara marble. The mould gives shape to its unusual design through self-rotating multiple openings. The stand is provided with adjustable feet.

Top for the white stand: • 5/8” thick clear or extra clear glass • 5/8” thick clear or extra clear tempered glass • MD wood fibreboard lacquered matt white finish (thickness 1”1/8) • Cristalplant® in matt white • Matt or gloss white Namibia marble, matt or gloss white Carrara marble or matt or gloss medium grey Bardiglio marble (thickness 3/4” and top support 5/8”) • White Carrara reconstructed marble*.

Tops for the black stand (not available in Ø49”5/8): • 1/2” thick smoked grey tempered glass • Matt black Sahara marble (thickness 3/4” and top support 5/8”)* • Black Ebony reconstructed marble**.
Made in Italy.

*Only with stand in Ceramilux®.
**Only with stand in reconstructed marble.
