

Aïku

Design: Jean Marie Massaud

Description

Aïku is a collection of highly comfortable chairs and armchairs featuring an essential image, designed for both home and contract spaces. Available in six versions of bases and a wide range of finishes.

The Aïku Soft version comes with a padded shell. Injection moulded polypropylene body, cold moulded padding shaped and applied on the load-bearing piece. The cover is not removable and covers the chair completely.

This student armchair model comes with a sled base in steel wire with armrests and table, painted in matt white, matt graphite grey or chrome-plated. HPL 3/8" thick table arm available in matt white or matt black. Also, some optional accessories and a padded pad, are available upon request. Made in Italy.
