

Flow Textile

Design: Jean Marie Massaud

Description

A family of aesthetically striking seats that prioritise comfort. Available in the padded and completely upholstered version from the Flow collection with a wide range of bases and finishes. Different sizes are offered, with or without armrests.

The shell is composed of a thermoformed and padded countershell with a small pad made from quilted polyurethane and polyester wadding at the front, and upholstery with zips in the lower part of the chair. The textile part is made from removable fabric or leather, which can be supplemented with additional upholstery.

The base is available in different models (see next pages for more details).

Made in Italy.
