

Arpa

Design: Ramón Esteve Estudio

Dimensions

34"1/4W x 34"1/4D x 10"5/8H

Description

A coffee table that combines the stability of the square structure, with the elegance of the refined ceramic top. Load bearing structure in stainless steel, 3/4" x 3/4" section, epoxy powder coated using specific treatment for outdoor use in the matt goffered finish, in white, corten, pewter, and black iron colors.

The top is made of fine porcelain stoneware laminate, matt variations in light grey or black calce, or in bush hammered medium grey Pietra di Savoia or natural satin-finished corten. The Arpa collection is available in four different combinations (see Finishes & Materials for details). Also, a protective rain cover in light gray color, is available upon request.

As an optional a protective rain cover in light gray color, specifically for outdoor products, waterproof, made of 100% polyester, outside with acrylic coating, inside with acrylic resin coating, is available upon request. Its characteristics are emphasised by its fully fungicidal Teflon finish. Each rain cover comes with a closable slip cover, so that it can be folded and kept correctly when not in use. Made in Italy.

Finishes & Materials
