

Tense Outdoor

Design: Piergiorgio & Michele Cazzaniga

Description

A table with a mono-material finish, entirely covered in aluminium sheet. Available in the following finishes:

. Goffered white, corten, pewter, and black iron painted finish. The pewter and black iron finishes have a cloudy shaded effect, a feature and peculiarity of this specific finish.

. White Calce and black slate reconstructed stone, this particular finish is a mineral compound composed of marble and quartz. It is spread manually over the entire surface of the table, and after application a maturation process at room temperature is required. After a manual sanding process, the material is protected with a water-based nanotechnological finish.

Top, edges and legs covered with the application of a thickness of about 1/16 of material. The load-bearing top, 1 3/8 thick, is a composite panel made up of an inner frame of galvanized steel profile, painted with a specific treatment for outdoor use, and filled with polystyrene. This is completely covered, both on the top and on the edges by an aluminum sheet.

Extruded aluminum legs, 13 3/4 x 13 3/4 section, with stainless steel structural tie-rod and adjustable feet. Made in Italy.
