

Mogul

Design: Roberto Lazzeroni

Description

Desk with structure in solid and veneered canaletto walnut and MDF. The top features three inserts, with the central insert always in leather and the lateral ones in available in leather or in bronze or grey tempered glass. The lower part is covered with leather and has a work surface under the top, with a drawer on the right and one drawer with an internal one on the left, all completely removable with recessed sliding runners. The foot-caps are in metal, painted in bronze color with a natural effect. It is possible to insert under the top, on the right or left side, a multi-socket predisposed for one schuko socket, one RJ45 socket and one high-speed USB socket. Made in Italy.
