

Pegaso

Design: Roberto Lazzeroni

Description

Double bed in solid canaletto walnut, available in Queen size and King size. The headboard is in Polimex (composite polyester/polyurethane material) and the structure of the padded bed frame, in multi-layer and polyurethane, and is equipped with supports for the slatted base, which can be regulated in height. Removable covers in fabric or leather, are proposed: All in fabric or leather, or with the external side of the headboard and padded bed frame in a different fabric than the internal side of the headboard; or with the external side of the headboard and padded bed frame in leather, and the internal side of the headboard in fabric or leather. The central crossbar is in painted metal, with supports to regulate height and use single slat bases. Foot-caps in bronze painted metal. Made in Italy.
