

Frame

Design: Carlo Colombo

Description

Double bed available in Queen size and King size and with high or low headboard. The headboard's frame is covered with saddle leather and it is padded with expanded polyurethane, covered with fibers. The bed frame, in plywood and polyurethane, is equipped with supports for the slatted base, which can be regulated in height. The central crossbar is in painted metal, with supports to regulate height and use single slat bases. Removable covers in fabric or leather (the cover of the back of the headboard is removable only by disassembling the structure). Feet in ABS. Made in Italy.
