

Antibes

Design: Elle Lab

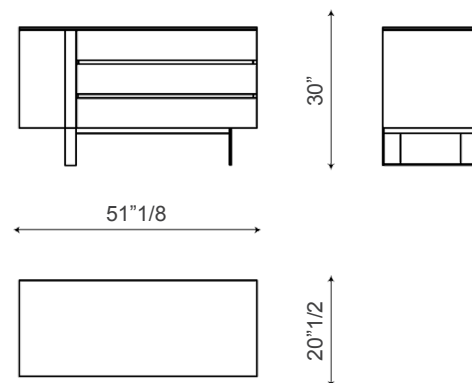

Description

Dresser with an asymmetrical metal base supporting a lacquered wooden structure. On one side of the element the base runs vertically along the entire front section of the dresser until it touches the ground; on the other side, it becomes slender and thin, as though wishing to disappear from view.

Available in three different color combinations: sand lacquered wooden structure and dove grey painted metal base, rope lacquered wooden structure and bronze finish metal base or mud lacquered wooden structure and lead finish metal base. Wall mounting recommended. Made in Italy.

Dimensions

51"1/8W x 20"1/2D x 30"H

Finishes & Materials
