

Riviera

Design: Jean Philippe Nuel

Description

Lounge chair with powder-coated aluminum structure available in two different colors: white and graphite. On the armrests are mounted 1/4" thick decorative porcelain stoneware slats in ceppo di gré or calacatta, according to the selected combination. Quick dry foam padded seat and backrest cushions, with removable covers in fabric, easy to wash and weather resistant in silver or beige for the white structure and black for the graphite structure. Decorative cushions are available on demand. Made in Italy.
