

Alix

Design: Maurizio e Silvia Varsi

Description

Bookcase with its wooden frame protruding from the wall-mounted metal structure.

It consists of simple and linear shapes: the concept is strengthened by the use of aluminum shelves, a cold and tenacious material that makes the structure optically light, combined with the warmth of the wood, protagonist of this design.

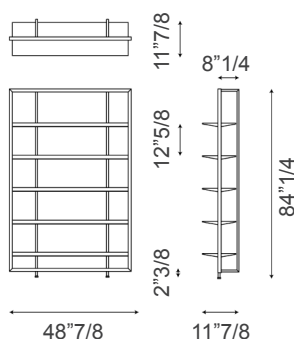

Maximum capacity: 15 kgs per shelf.
Made in Italy.

Dimensions

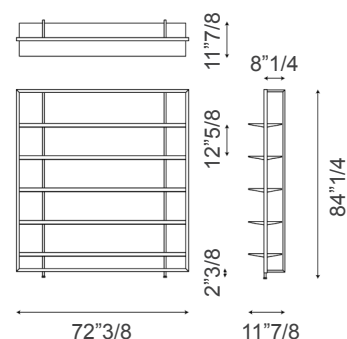

A) 48"7/8W x 11"7/8D x 84"1/4H

B) 72"3/8W x 11"7/8D x 84"1/4H

Option A

Option B

Finishes & Materials
