

Lupino

Design: Mauro Lipparini

Dimensions

Ø17"3/4W x 17"H

Description

Side table characterized by the use of a combination of different materials. The table top is made from discs of ash wood, supported by a metal rod. All of this rests on a base in marble or cement, which evokes the solid, stable shape of a rock. Made in Italy.

Finishes & Materials

Top: Solid wood (Coal ash / Natural ash / Walnut painted ash).

Rod: Metal (White / Anthracite grey / Dove grey) / Plus metal (Bronze / Pearl gold / Platinum / Lead).

Base: Composite cement (White / Black) / Marble (Carrara / Marquinia).
