Roll

Design: Dondoli e Pocci

Description

The ability to fix this bookcase to the ceiling makes it a furnishing element that can also be installed in the centre of a room to divide it into two spaces.

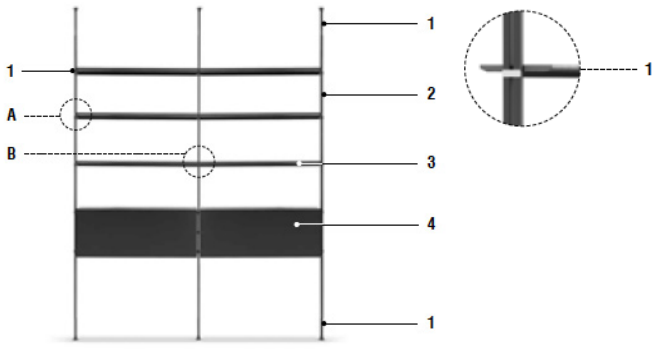

The shelves and the details that come out of the metal tubes are available in the same finish as the supports or in different finishes, for a play of contrasts of utmost elegance.

The modularity of this bookcase makes it suitable for any space. A box module is also available, to store objects and books.

Maximum capacity: 10 kgs per shelf.
Made in Italy.
