

Roll

Design: Dondoli e Pocci

Description

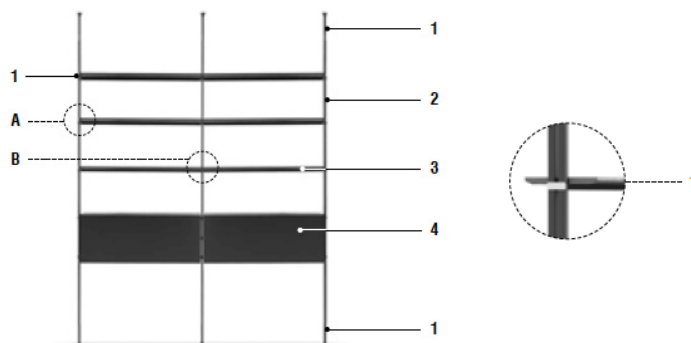

Wall fixing TV stand. Mounting it to the wall takes place by means of supports composed of metal tubes with lead finish. The shelves and the details that come out of the metal tubes are available in the same finish as the supports or in different finishes, for a play of contrasts of utmost elegance.

The modularity of this TV stand makes it suitable for any space. A box module is also available, to store objects and books. Maximum capacity: 10 kgs per shelf.

Made in Italy.
