

Venus

Design: Marconato & Zappa

Description

Vanity with a metal structure and an original shaped top featuring uniquely rounded lines. Its range of accessories makes it highly practical: a make-up mirror and a handy storage compartment with a walnut lid, useful for storing jewellery and small everyday items.

The unique shape of the base structure, with part of the frame curved and set back, is surmounted by a considerably thick top consisting of a wooden frame with a ceramic top inside. Available in two different combinations of finishes and materials. Made in Italy.
