

River

Description

Double bed with structure in wood and wood chipboard, supports and corner plates in painted metal. Headboard and cushions are padded in shaped polyurethane foam; lining in bonded velveteen - polyester fiber. The headboard is the true visual focal point of this bed, soft and suggestive: the side “wings”, continuation of the front part, are a decorative element, quite cosy.

The bed surround is padded in shaped polyurethane foam; lining in bonded velveteen - polyester fiber. Feet with cylindrical profile in matt painted metal, with tips in plastic material. This bed is offered in queen and king size in three different versions. All of them are available with removable cover in fabric, leather or eco-leather. Made in Italy.
