The image corresponds to Composition B

Description

Sectional with structure made in wood with elastic straps and metal supports. The connection between the elements is by means of a fork mechanism. The removable upholstery is available in fabric or leather and the feet, with square profile and with tips in plastic material, is offered in matt painted metal. Also the bi-color / bi-cover versions are available, where the base, the backrest kit and the backrest cushions kit can be made in different colors / covers.

Seat and backrest are padding in variable density polyurethane foam; lining in bonded velveteen - polyester fiber. Seat cushions are padded in shaped variable density polyurethane foam; lining in bonded velveteen - polyester fiber and back cushions are padded in mixed down (50% down, 50% polyester fiber) in 100% cotton featherproof fabric. Made in Italy.
