

Bodo

Design: Mauro Lipparini

Description

Lounge chair upholstered in removable fabric or leather. This furniture can be chosen in a fixed version (with feet in shaped circular profile), or with the comfortable swivel base, both versions are available in matt painted metal. The structure comes in wood and wood chipboard with elastic straps. The seat is padded in shaped variable density polyurethane foam, viscoelastic layer on the seat; lining in bonded velveteen - polyester fiber.

The aesthetic appeal is accentuated by the leather insert that vertically defines the armrests, and allows for a singular play of materials and combinations. Also available in the quilted version, Bodo Ego. Made in Italy.

Notes:

- . The Ego version is only available with fabric cover, with quilted parts bonded with polyester fiber and cotton fabric.
- . The leather insert is not available for the Ego version.
