

Calypso

Design: Kris Van Puyvelde

Description

Bar stool with teak base and stainless steel backrest that can be easily detached from the base to allow for compact storage as well as for easy and quick removal of the upholstery for cleaning. Two versions available: one with padded covers that can easily be zipped on and off to allow for cleaning and winter storage, and, for those who are more into the natural look and feel of woven fibers, a version with an original KRISKROS weaving pattern, using three different tones of synthetic outdoor fibers that blend together perfectly. Matching seat cushion available on demand.
