

Guest

Description

Guest armchair, designed specifically for hospitality. An outdoor chair with armrests, stackable (max. 4 armchairs), which perfectly combines functionality and comfort. Thanks to two refined and transversal colors, the Guest Collection easily matches any outdoor furniture, from the most gritty to the most delicate. A garden armchair in powder coated aluminum and Batyline that can become a practical piece of outdoor furniture for contract spaces. Seat in Teak wood. Made in Italy.
