

Spinnaker

Design: Gordon Guillaumier

Description

The exclusive Spinnaker extendable table draws its expressive strength from a rigorous and extremely modern design that enhances the solidity of the material and the lightness of the top. This luxury table can accommodate up to twelve people comfortably seated. Spinnaker is characterized by a tip-up opening mechanism, that can be activated running the solid teak slats top along the guides, and geometric, continuous stainless steel painted legs for outdoor use. Made in Italy.

Finishes & Materials

Top: Teak wood with drop leaf opening system.

Structure & Legs: Powder coated stainless steel.
