

Product: Spinnaker Extendable Table

## TOP

---

### Wood

Teak

**Teak:** When exposed to the weather, the surface oxidises, providing the wood with natural protection and giving it a characteristic silver-grey color.

**Quality:** This Teak is First European Quality, rated by the FEQ standards. It is used in its natural state (without synthetic surface treatments) for furniture structures and tabletops.

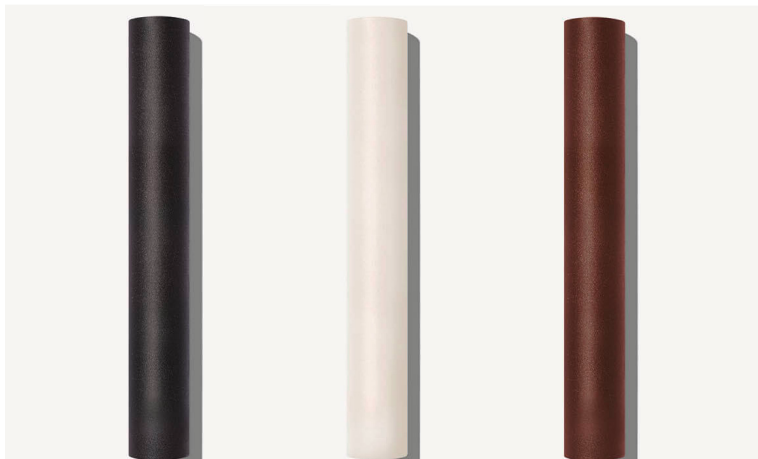

**Appearance:** When exposed to the weather, the surface of Teak oxidises, providing the wood with natural protection and giving it a characteristic silver-grey color.

**Performance:** Teak's natural oiliness guarantees exceptional resistance to outdoor conditions, in addition to making it silky to the touch.

## STRUCTURE & LEGS

---

### Powder coated stainless steel

Smoke

Milk

Rust

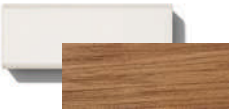

**Appearance:** Embossing and colored finishes give the metal naturalness and versatility of usage.

**Performance:** Stainless steel 304 is highly resistant against weather. The thermoset electrostatic powder coating offers additional protection from corrosion.
