Design: Patrick Norguet

Description

System of suspension lamps with three distinctive shapes (a bell, a cone and a cylinder) and a versatile composition that suits any interiors and living environment.

This lamp, inspired by the abat-jours of the ateliers of the early 1900s, is further enhanced by the color range: the four different finishes for the shades can be combined with the three different suspension hook hues as desired. Made in Italy.

Light Source:

E26 LED • 1 x 25 W • IP20 • Energy saving • Dim.

Bulb not included. Suspension lamps must be installed on a canopy (see options in next pages).
