

IVY V

Design: Vittorio Massimo

Description

Minimal, geometric suspension lamp composed of a die-cast zinc alloy ring hanging on a cable, which gives power to a made to measure LED module. The product sheds an even, rounded light beam through its thin and curved methacrylate diffuser.

Designed with double cables, this lamp responds to the need for flexibility, an increasingly contemporary theme in architectural practice. Made in Italy.

Light Source:

LED • 3 W / 480 lm • 3000 K • 120 V
CRI 92 • IP20 • MacAdam 3–Step
Energy saving • Dim Triac • LED included.

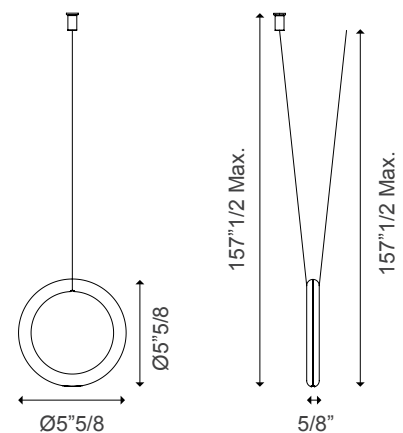

Finishes & Materials

Ring: Metal (Matt black / Extra matt champagne / Terra).

Diffuser: Methacrylate | **Cable:** Black.
