Wood

WR Teak
Weather Resistant

WR Teak: The special hue acquired through this treatment brings out the wood's veining, giving the Teak an elegant finish with a natural effect.

Appearance: The special hue acquired through this treatment brings out the wood's veining, giving the teak an elegant finish with a natural effect.

Performance: Whitened Teak is obtained by several cycles of brushing and painting that augment the wood's waterproofness and weather-resistance.

Green vision: High-quality teak certified by the FSC®, grown under forest-friendly management.
