

Aria

Design: Zaha Hadid

Description

This wall lamp consists of 25 “arms”, each diverse from the others, radiating around a voluminous LED source.

The electrical components are protected by an aesthetically balanced frame, creating three-dimensional volume. Available in either a transparent or gold finish that casts refractions on the wall behind it. Made in Italy.

Light source:

Bulbs E12

2 X 6W LED Filament

+ 1 X 6W Spot LED.

Made of: Lentiflex® and Cristalflex®.

Dimmable with: Dimmable bulbs.
