

Iglù

Design: Oriano Favaretto

Description

Wall lamp with metal structure painted with brushed patina and a metal mesh diffuser in matt gold.

The Iglù collection is born from observing the perfection of the sphere, transformed into a perfect, recognizable and unique shape by mesh that, rather than obstruct the light, instead creates a pattern of light and shadow, transforming the metal into a luminous jewel. Made in Italy.

Finishes & Materials

Structure: Painted metal.

Diffuser: Metal mesh (Painted matt gold).
