

Iglù

Design: Oriano Favaretto

Description

Suspension lamp with metal structure painted with brushed patina and metal mesh diffusers in matt gold.

The Iglù collection is born from observing the perfection of the sphere, transformed into a perfect, recognizable and unique shape by mesh that, rather than obstruct the light, instead creates a pattern of light and shadow, transforming the metal into a luminous jewel. Made in Italy.

Finishes & Materials

Structure: Painted metal.

Diffusers: Metal mesh (Painted matt gold).
