

## Major

*Design: Bellavista & Piccini*

### *Description*

Sideboard with structure in smoked or bronze glass. Top, bottom and doors in wood with continuous grain in Eucalipto or Siberian ash finish. Available with two compartments and four sliding doors opening at 180° and with three compartments and five sliding doors, four of which also open at 180°. The doors are provided with handles in polished gunmetal finish. Three different bases are available: a black lacquered plinth or a base made of extra clear, smoked or bronze glass, available in two heights. A matt black lacquered partition for lateral compartments with height adjustable shelves is available on demand. Made in Italy.
