

Vegas

Design: Marc Sadler

Description

Suspension lamp with metal structure and diffuser made with rock-effect glass strips. Vegas is loosely inspired by the architecture of Las Vegas, the city that never sleeps.

With their classic geometric style, the iconic Art Deco lights are reinterpreted in a contemporary key, combining glass and metal using the most modern manufacturing techniques. Available in different dimensions and compositions. Made in Italy.

Finishes & Materials

Diffuser: Rock-effect glass strips.

Structure: Metal (Matt painted / Leaf decoration).
