

Vallonné

Design: Luca Nichetto

Description

Vallonné is a collection of suspension lamps in Venetian Crystal, mouth blown and crafted by hand. Action/reaction, expansion/retraction: the idea of the design stems from this system of forces and tensions, where the surfaces of the object reveal a precise pattern of lines and incisions, bringing out a sequence of expansions through various geometric shapes. In the Vallonné collection, the lamps are in transparent crystal and contain a tapered core of glass that conceals the light source. The Venetian Crystal available in different colors and the metal parts are available in Dark Chrome or in Honey Bronze finish. Made in Italy.
