

Vallonné Opale

Design: Luca Nichetto

Description

Vallonné Opale is a collection of suspension lamps in Venetian Crystal, mouth blown and crafted by hand. Action/reaction, expansion/retraction: the idea of the design stems from this system of forces and tensions, where the surfaces of the object reveal a precise pattern of lines and incisions, bringing out a sequence of expansions through various geometric shapes. In the Vallonné Opale collection, the lamps are made with the jacketing technique, with an opaline, milky external effect that spreads light gently. The metal parts are available in Dark Chrome or in Honey Bronze finish. Made in Italy.

Finishes & Materials

Venetian Crystal: White (BB) color.

Metal parts: Dark Chrome (CN) or Honey Bronze (OZ).
