

Opéra

Design: Luca Nichetto

Description

Inspired by the Opéra Garnier, this wall lamp stands out for its eclectic, decorative character, expressed in stylistic mixtures and remarkable compositional balance. The references to a certain Baroque splendor are tempered by more minimal, contemporary touches, generating a delicate, harmonious dichotomy. The design challenge was to bring out the artistry and heritage of Barovier & Toso, a repository of the art of glass for over seven centuries. The outcome of this creative effort is a timeless, elegant design, rich but not redundant, with a direct, incisive personality. Made with Venetian Crystal and metal parts available in different finishes. Made in Italy.
