

## Fulham

*Design: Ono Design*

### *Description*

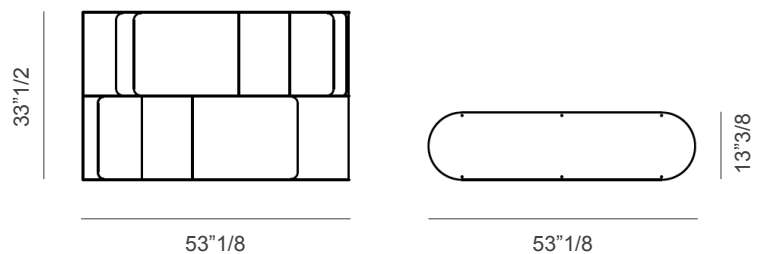

Bookcase made of titanium, bronze or pearl embossed lacquered steel.

A piece of furniture with a harmonious and elegant aesthetic. The structure consists of curved walls and internal partitions, rounded and sinuous.

By placing the bookcase in the centre of the room, it acts as an attractive partition, perfectly symmetrical and balanced. Made in Italy.

### *Dimensions*

53"1/8W x 13"3/8D x 33"1/2H

### *Finishes & Materials*

**Structure:** Embossed lacquered steel  
(Titanium / Bronze / Pearl).
