

Atrium Keramik

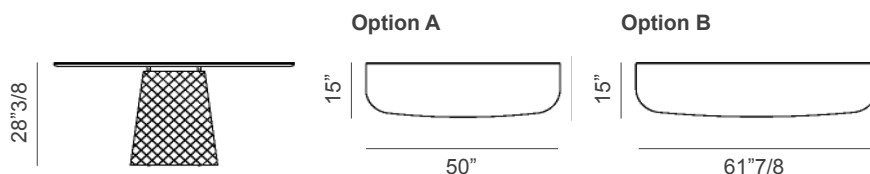

Description

Console with base in glass and top in ceramic. The base consists of two finely worked plates of quilted mirrored glass. The console creates a play of soft reflections, in which the surrounding objects and light sources reverberate. The glass is shaped with an unprecedented technique that gives the surface a three-dimensional effect like quilting on fabric. The top is available in a numerous attractive ceramic tones with a marble effect. Wall anchorage is necessary. Made in Italy.
