

Vivaldi

Description

Sideboard, with 2 or 3 doors, made of graphite lacquered wood and internal clear glass shelves. Doors and sides come in quilted mirrored glass. Top in mirrored glass and profiles in embossed lacquered black aluminum. Feet in metal. Optional internal drawer in each door.

This sideboard has an unparalleled hypnotic charm. The doors create a play of soft reflections, in which the surrounding objects and light sources reverberate. The front finish, that consists of finely worked quilted mirrored glass, is shaped with an unprecedented technique that gives the surface a three-dimensional effect like quilting on fabric. Made in Italy.
