

Costes

Design: Tosca Design

Description

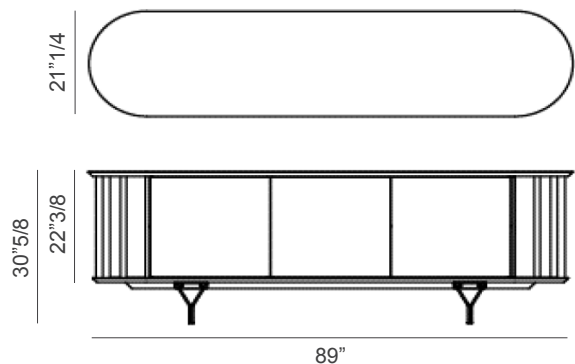

Sideboard with wooden structure in Canaletto walnut or burned oak. Metal inserts in bronze embossed lacquered. Base in bronze embossed lacquered steel. Internal shelves in fumé glass. Optional: LED light.

Rich in details yet at the same time reproduces a plain and minimalist aesthetic. The curved transparent glass sides are interspersed with vertical metal inserts, which give rhythm to the composition and allow a glimpse of the internal glass shelves.

But the real detail is the refined feet, composed of two metal elements forming a Y that rests gracefully on the ground. The doors are made with diagonal slats that highlight the attractive natural grain of the wood. Made in Italy.

Dimensions

89"W x 21"1/4" x 30"5/8"H
