

Biarritz

Design: Oriano Favaretto

Description

Suspension lamp with ring in satin iron grey embossed lacquered steel. Lampshades in transparent, bronze and frosted borosilicate glass. Stem in borosilicate ribbed glass. Canopy in titanium embossed lacquered steel.

Like satellites, lampshades of different sizes and colors gravitate around the steel ring, illuminated internally by LED lights. Other elements are animated by light, such as the opaque glass sphere and the ribbed stem. The apparently random composition is the result of a precise study of weights and volumes to find the perfect balance. Additional cable 39"3/8 long upon request. Made in Italy.
