## Description

Suspension lamp with structure in satin iron grey embossed lacquered steel and brass details. Canopy in black chrome steel.

A LED light strip is positioned along the entire outer edge of the lamp, diffusing a soft and distributed light. At the ends of the structure there are two minute brass dowels, among the few decorative elements, with a minimalist style that still catches the attention. Made in Italy.

Optionals: remote control with dimmer and additional cable 78"3/4 long.
