

# Atrium Keramik Premium Round

## Description

Fixed table with base in mirrored and quilted curved glass and round top in a wide range of ceramic Marmi finishes with Brushed Bronze or Brushed Grey lacquered and rounded lower profile.

The Atrium family of tables comes in numerous versions to meet the most varied aesthetic needs and optimally furnish a dining room. The central base consists of two finely worked plates of quilted mirrored glass.

The table creates a play of soft reflections, in which the surrounding objects and light sources reverberate. The glass is shaped with an unprecedented technique that gives the surface a three-dimensional effect like quilting on fabric. Made in Italy.
