

Noor

Design: Dondoli and Pocci

Description

Chair with a light but solid steel structure. The backrest and seat are padded in high density, shrink-resistant rubber and covered in leather, eco-leather or fabric.

The seat comes close to the structure of the backrest without touching it, giving the overall impression of “floating”. The design of the backrest, slightly curved at the sides, gives it a welcoming and comfortable appeal. Made in Italy.

Dimensions

18"1/2W x 22"3/8D x 32"1/4H

Seat height: 18"1/8
