

Jazz

Description

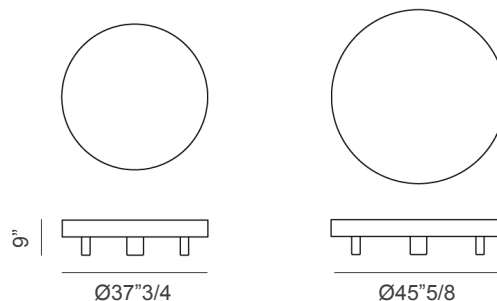

Coffee table with a formal linear design, with a spacious surface area that showcases the typical decorative objects featured in living rooms.

This coffee table is almost at floor level, slightly raised on metal feet with a highly geometric shape. The imposing round top, available in glass or ceramic, is outlined by a metal edge which contrasts with the almost invisible base. Made in Italy.

Description

A) Ø37"3/4 x 9"H

B) Ø45"5/8 x 9"H
