

## Pisa

*Design: Mauro Lipparini*

### Description

Side table with a strong character thanks to the monolithic design of its metal base.

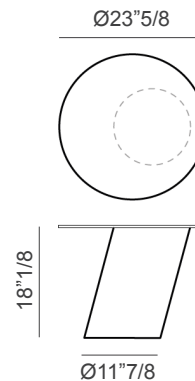

Available with a hat-like top, the signature feature is the angle of the base which leans diagonally like the tower after which it is named.

The side table assumes its own identity based on the material used for the top, available in glass or ceramic. Made in Italy.

### Dimensions

Ø23"5/8 x 18"1/8H | **Base:** Ø11"7/8
