

Bon Ton

Design: Studio Team design

Description

Suspension lamp that develops around its central axis (horizontally positioned), composed of three metal blades.

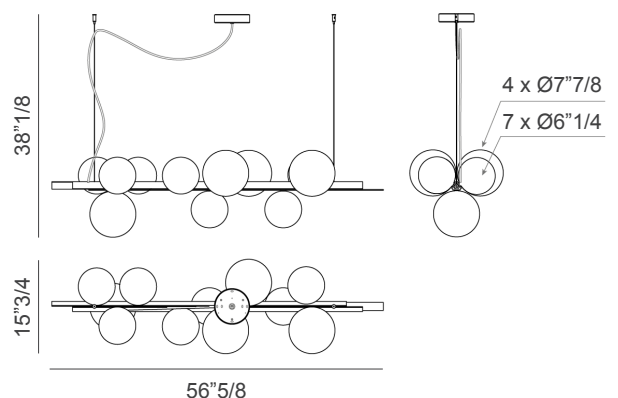

It is an object in which the glass globes that form the lampshades, are arranged in an irregular order, accentuating their dynamic nature. This version is available with 11 lampshades: 4 spheres in amber and 7 in transparent glass. Made in Italy.

Light source

110-240 V • 11 x G4 LED • Max. 1,5 W • Dimmable.

Dimensions

56"5/8W x 15"3/4D x 38"1/8H
