

Sofi

Design: Studio Team design

Description

Suspension lamp with metal structure and 1, 5 or 7 pendants with glass globe lampshades.

The primary shape of the Sofi collection is the borosilicate glass globe with a warm amber finish, which is combined with a burnished brass cylinder which contains the light source and brings to mind the image of master glass-blowers who, in their Venetian workshops, use their long blowpipes to craft the incandescent molten glass with skill. Made in Italy.
